Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days after the date on which the preliminary results are published.

The Department has determined it is not practicable to complete this review within the current time limit and requires additional time regarding the issue of which rate to assign to the non-selected companies subject to this review. We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
